The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: Applicant's amendment raises new issues and would require further consideration and/or search. Specifically, Applicant's argument states that claim 134 has been amended to have same scope as amended claim 132. However, Examiner respectfully disagrees with the assertion. Claim 132 states that "one communication path element different from said first communication path"; however, claim 134 fails to state such limitation..
